

# 3<sup>rd</sup> Doncaster East Scout Troop

## Notices

Dear Parents and Scouts,

There have been some issues with notices going out via email and some people not getting them. I have put together all the notices this term and have now posted them to you.

### **Sleep over (coming Friday):**

If you wish to come to the sleep over, please bring your money and gear on the night. We will purchase the food on the night. Those of you not coming to the sleep over, this will be a normal night first. No uniform is however required.

### **Scout website:**

Notices are and always have been available from the Scout website at <http://www.3descouts.org.au/scouts/notices/> . Please check regularly to ensure that you have the latest information.

### **Email:**

If you are not getting the scout notices via email, please email [matt@3descouts.org.au](mailto:matt@3descouts.org.au) as soon as possible so we can ensure you are on our list. A number of families are not registered. Whenever a notice is issued we will send an email out with a link to the website so you can go read it.

### **Printed notices:**

We will hand out printed notices on the week that we issue them. If you are not there that night, copies will be available from the website or from a paper envelope we will put on the notice board. **We will not however be chasing scouts who are not there to ensure they get the notices.** It is the scout's responsibility to either check the envelope or to go to the website to get the notice if they are away.

### **Paying for activities:**

It is very important that when you send your money in with your son/daughter that they money is enclosed in a sealed, labelled envelope. This is to ensure we know who the money is from and so that we can register them for the activity. The exception is cheques. We do accept cheques as long as the scout's name and what the payment is for is on the back of the cheque. This is to ensure that we know who has paid when we go to process the payments at the end of the night.

We appreciate your co-operation in these matters and look forward to another exciting year of Scouting!

Yours in Scouting,

Matthew Enger
