

3rd Doncaster East Scout Troop

Ruffy Lake Park

Date: Wednesday 15th June 2007

Time: 7:30pm – 9:30pm

Where: Ruffy Lake Park
Victoria Street, Doncaster

Cost: none

Bring: Scarf and polo top, torch. Paper, pen.

We have organized a night at Ruffy lake park to do some navigation exercises as well as introduce GPS units to those of us who have not seen them.

GPS units have become part of the Scout Badge work from blue level onwards and this is a superb opportunity to see how to use them and how they work.

We are preparing a night of navigational challenges and games which will be a fun way to pass off the badge work required to complete the navigation section of the camp craft badge.

3rd Doncaster East Scout Troop

SES Visit

Date: Friday 29th June 2007

Time: 7:30pm – 9:30pm

Where: Nunawading SES
Council Depot, 1 Ailsa St, Box Hill South (61 F 3)

Cost: none

Bring: Full Uniform, Jumper.

Knowing what the different emergency services do is an important part of living in our community. Craig, the Rover Adviser from our group is organizing this visit to his SES unit so we can come down and see what they do and how they do it.

This will be a fantastic evening which everyone will enjoy. Unlike other emergency service visits, it is being run for the scouts by a scout so he knows what is of interest and how to make it a very interesting and entertaining evening.
