

3rd Doncaster East Scout Troop

Gilwell Park Patrol Activity Weekend Welding, Soldering, Forge and Rope Making Camp

Date: Friday 7th September – Sunday 9th September
Depart: 5:00pm on Friday night at hall
Arrive: 5:00pm on Sunday afternoon at hall
Where: Gilwell Park
Cost: \$40.00
Due: Friday 17th August 2007

This is the first time in awhile we have used Gilwell for one of their patrol activity weekends. If past experience is any indication, those who attend are in for one very good weekend. Scouts will get to make things in all of the activities above with the assistance of people who are well experienced in the area.

Activities include making and welding a model, shaping the metal in a forge, spray painting, making tools, soldering and rope making.

We **must** know if you wish to attend by the due date so patrols can plan their menus and we can ensure we get a place on the camp. No late applications will be accepted. Please contact Matthew Enger – matt@3descouts.org.au or 0406 532 792

A gear list as well as a camp menu will be given out closer to the date once you let us know you are going.

Name:

Gilwell Welding Camp 2007

I can provide transport from hall to camp on Friday night

I can provide transport from camp to hall on Sunday afternoon
