Dear Cubs, Scouts and Parents,

You are being sent this letter as according to our records, you still have raffle tickets outstanding. Can you please return these raffle tickets to your section leader this coming week even if the books are unsold.

Please remember that all money raised from the sale of these raffle tickets is returned to the group and this year the money goes to you! We understand that the cost of activities such as scouting is getting harder to cover, especially in these uncertain times so we have decided on the following:

- Sale of the first 10 tickets will go towards the groups fundraising efforts.
- The sale of any tickets after the first 10 will 100% deducted from your group fees (registration renewal notice is sent out in May) or if you are attending Jamboree (Scouts), you can elect to have it taken off your second Jamboree instalment.

Each family is being supplied with 2 books of 10 of Raffle Tickets (\$40 worth) and we hope that you can help us to sell them and if possible more. Remember, the more you sell, the less in fees you need to pay!

Return of tickets and money:

Tickets need to be returned to your section leader in a sealed envelope by as soon as possible. Please be sure to include all unsold tickets and completed ticket stubs with the money.

Lost tickets:

All tickets which are lost need to be reported so they can be removed from the draw. We are required to report lost tickets to the police and families who lose tickets will be required to complete a Statutory Declaration to state that the lost tickets were lost and not sold. Please notify us immediately if your tickets are lost.

Kind regards,

Matthew Enger
