Cost: 4 nights - \$70.00  
Due: Friday 28<sup>th</sup> August 2009

This weekend provides the essential “4 nights under canvas” requirement for Jamboree; the week-end will be programmed to accommodate scouts requiring either their Red & Blue level award achievements or leadership skills at Green level. The camp is being organized by Manningham District Scouts and will include a mixture of Scouts from throughout the district camping together.

There is also a programmed Clifford Park Patrol Activity on this week-end which includes Bush activities such as survival, navigation and lightweight camping. All great skills for your camp craft badge work.

Preferably it would be great if all scouts could attend the whole week-end as other activities will be undertaken towards other camp craft award requirements, but in the event that some scouts have sport or other commitments they can arrive after Friday.

Note: Only those scouts that are in attendance for the 4 nights will be credited the 4 nights under canvas towards Jamboree.

If you have any questions please contact Matthew Enger (District Leader Scouts on 0406 532 792 or [dls.manningham@vicscouts.asn.au](mailto:dls.manningham@vicscouts.asn.au)).

A gear list and a health update form will be returned to once your application is received and processed.
