Cohen Shield is in activity camp which provides interesting challenges to test your scouting skills. This year however we are only attending the Cohen shield activity day as we have the 4 night camp the following weekend. It is a great opportunity to test your knowledge, finish off any badge work you need done and compete against the other groups for Gold.

The activities are fun and can be completed by all scouts while also testing them on their scouting and life skills. With this being a day activity is easy for people who could not normally camp to come down and join in this activity with over 300 other scouts and have a fantastic day. We attend this camp every year and we the Scouts always want to go back so it must be fun!

Registration is essential so we need everyone to complete the form below and return it as soon as possible so we can register the patrols to compete.
