This camp is an action packed weekend with many activities to take part in. Scouts will get an opportunity to complete both their Abseiling and Water Activities badges while participating in fun activities all day long.

Activities include Canoeing around in the river next to the Scout Park, swimming and abseiling on the abseiling tower. When we last attended this camp there was also archery provided. Previously they have included sumo wrestling with tire tubes, bike riding and roller skating as activities.

We **must** know if you wish to attend by the due date so patrols can plan their menus and we can ensure we get a place on the camp. No late applications will be accepted. Please contact Matthew Enger – [matt@3descouts.org.au](mailto:matt@3descouts.org.au) or 0406 532 792

A gear list will be supplied for this camp upon receipt.
